| Product Specifications | | |
|------------------------|---|--|
| Category | Parameter | Specification |
| Basic info | Model NO. | M2 Pro |
| | Product Name | Collagen Firming Beauty Device |
| | Picture |  |
| | Color | White/Blue |
| | Dimensions | 43.4x44.6x166.7mm |
| | Weight | 155g |
| | Housing | ABS+PC |
| Spec | Battery capacity | 1500mAh (High rate battery) |
| | Charging Time | 1.5~2 hours |
| | Standby Life | Around 5.5 hours (under the condition of continuous and uninterrupted use of the third gear) |
| | Technology | RF (2Mhz), MFIP (90Khz), Electric needles, vibration, LED (red light 620nm, yellow light 590nm, blue light 460nm), Ice cooling, suitable to use for all skin types |
| | Working Mode | 6 functions, three gear adjustment 1. Cleaning: vibration+yellow light, deeply cleanses pores, reduces oil and dirt, leaving the skin refreshed and radiant. 2. Facial care: RF+MFIP + Red Light, Promotes absorption of skincare products, enhances blood circulation, provides deep nourishment, helps improve skin texture, and slows down the aging process. 3. Eye care: RF + MFIP +Red Light + Vibration, Alleviates eye puffiness, diminishes fine lines, stimulates eye blood circulation, leaving the eye area firmer and brighter. 4. Penetration: RF+ Red Light + Vibration, Stimulates deep skin penetration, enhances skincare product absorption, elevates skin firmness, and elasticity. 5. Lifting : MFIP+ Vibration, Stimulates collagen regeneration, helps tighten the skin, reduces wrinkles, and enhances contour firmness. 6. Ice compress : ice compress + blue light, Soothes the skin, reduces inflammation, minimizes pores, providing a refreshing and comfortable sensation for the skin. |
